

## We Know Paper

Avoid the ups and downs of today's fast-paced global economy and reach new levels of productivity with Industrial<sup>IT</sup> enabled systems and composite plant engineering.

- One stop shop for Pulp & Paper Industry
- Composite Plant Engineering- 800xA DCS system
  - 800xA QCS system and CD actuators
  - Paper machine Drives
  - Web Inspection system &- Pulp Defect analyzer
  - Plant Instrumentation
  - Collaborative Production Management
  - Optimization & Professional services

ABB is a global leader in power & automation technologies and has unparalleled expertise in the pulp and paper industry.
